FOI - Children First Foundation Plate.pdf;

Good Afternoon, Ms. Farkus:

This notice is to acknowledge receipt of your request under the Freedom of Information Act.

Please be advised that the Department of Motor Vehicles ("DMV") has determined that your request is beyond its record retention period.

In your FOI request, you indicated that you are looking for the number of "Choose Life" license plates, but please be aware that the license is actually known as "Children First Foundation Plate". I have attached a printout from the DMV's website for your reference.

With that being said, as of March 1, 2019, there are 205 Children First Foundation Plates that are active.

Should you have any questions, please do not hesitate to contact me.

Thank you,  
Janice

## Children First Foundation Plate

Thank you for showing an interest in the Children First Foundation Plate.

In order to purchase these plates, you must...

- Contact the person listed below to obtain an application.
- Be sure that the vehicle is currently registered in Connecticut.

**Note:** Any applications received for vehicles registered out-of-state or with a temporary registration will not be accepted. Also, if your registration is due to expire within the next 45 days, you must renew your registration before requesting these plates.

You may only acquire the same registration type as is currently on your vehicle. For example, if you currently have combination plates on your vehicle, you can only request combination plates - you cannot request combination plates if your vehicle is currently registered with passenger plates.
